

DIVISION OF PARKS AND RECREATION

April 5, 1985

STAFF DIRECTIVE 85-7

TO: Section Chiefs, District Park Superintendents, Park and
Recreation Consultants, Park Superintendents

FROM: William W. Davis, Director

SUBJECT: Visitors to the Raleigh Office

If any of you are having guests from your towns, communities, other agencies or parks, visiting the Raleigh office, please give Martha Williamson a "heads up" call or note. As a new director, I would be glad to greet them and say hello. It's a great way for me to meet the people we work with as well as a way to continue the warm tradition of hospitality that this Division has established.

I appreciate your taking the extra time to keep me informed and aware of visitors to the Raleigh office.
