

PUBLIC MEETING

On Tuesday, April 7, 1998, at 7:30 p.m. the North Carolina Department of Environment and Natural Resources will hold a public meeting in the south wing of the Nags Head Fire Station to discuss a proposed dredge storage and recycling facility in Nags Head. The site for the proposed facility is a thirty-nine (39) acre parcel of land located south of Jockey's Ridge State Park and Soundside Road and north of the Southridge subdivision. The State's proposal calls for the establishment of a site for the storage and recycling of dredge material from the Manteo and Wanchese channels. Representatives from the Department of Environment and Natural Resources will make a presentation on the proposal and will be available to answer questions. The public is urged to attend this meeting. For more information, please call Mr. Bruce Bortz or Mr. Michael D. Harvey with the Town of Nags Head at (252) 441-7016. If planning to attend the meeting, please park behind the fire station.
