REVISED June 17, 2020

STAFF DIRECTIVE 20-01

TO: Administrative Staff
Section Chiefs
District Superintendents
Park Superintendents

FROM: John Fullwood, Interim Director

SUBJECT: Accident / Incident Chain of Notification /
OSHA Reporting for Fatalities and Injuries

This staff directive supersedes previous accident / incident chain of notification reporting procedures and is effective immediately.

In the event of an employee or visitor accident or incident involving serious personal injury, major criminal activity, significant natural resource damage, media coverage or anything judged by the Park Superintendent to necessitate Division management notification, the Park Superintendents or their designee (this includes Acting Park Superintendents or Rangers In-Charge in the event the Superintendent is unavailable to make the notification), shall contact their District Superintendent (DISU) by phone as soon as possible. If the DISU cannot be reached in a timely manner, the Deputy Director of Operations or other senior DPR staff shall be notified by phone. Upon notification, the District Superintendent or designee shall contact the Deputy Director of Operations via telephone. The Deputy Director of Operations or designee shall then contact the Director, Chief Deputy Director and the Division Public Information Officer (PIO).

If a person listed in the chain of notification cannot be reached, the next person in the chain shall be contacted. If the Division's Deputy Director of Operations, PIO, Chief Deputy Director, or Park's Chief Ranger (PACR) cannot be reached, the ranking Division employee shall contact the DNCR Chief Deputy Secretary. In most circumstances, the Chief Deputy Director or Deputy Director of Operations will make notifications to the the DNCR Chief Deputy Secretary and/or Secretary.

In the event of a serious occupational accident or injury-including near misses involving an employee, or an employee fatality, notification shall be made immediately to the Deputy Director through the chain of notification and the standard reporting procedures should be followed for the reporting of fatalities and injuries to OSHA.

On weekends, holidays, and after 5:00 pm on weekdays, OSHA notification for fatalities or serious employee accidents involving employee in-patient hospitalization, amputation or eye loss should be made to the State Capitol Police at 919-733-3333. State Capitol Police will log the report and contact the OSHA's on-call person. The Division shall follow up with a report to the Department and OSHA on the next business day for those cases reported to the State Capitol Police on weekends, holidays, and after work hours.
