"Managing Parks and People"

Mission Statement

The North Carolina State Parks
System exists for the enjoyment,
education, health and inspiration of
all our citizens
and visitors.

The mission of the state parks system is
to conserve and protect
representative examples of the
natural beauty,
ecological features and recreational
resources of
statewide significance;

to provide outdoor recreational opportunities in a
safe and healthy environment; and to provide
environmental education opportunities that promote
stewardship of the state's natural heritage.
