

NC DIVISION OF PARKS AND RECREATION

September 9, 2011

MEMORANDUM

TO: Lewis Ledford, Director

THROUGH: Mike Lambert, Chief of Operations

THROUGH: Tom Jackson, West District Superintendent

FROM: Casey Rhinehart, LANO Superintendent 

SUBJECT: Request for Approval of Itusi Trail Loop Names

Per Staff Directive 86-10, I would like to request approval of the names for the newest loops of the Itusi mountain biking and hiking trail at Lake Norman State Park. Volunteers will soon begin work on Phases 5.2-5.4 of the Itusi Trail (see attached map). I have discussed the naming of these loops with the LANO PAC and LANO Staff.

1. **Wildlife Loop** (Phase 5.2) – since it is located adjacent to Wildlife Road.
2. **Fallstown Loop** (Phase 5.3) – a historical name for the Troutman area and the name of the voting district.
3. **Fox Loop** (Phase 5.4) – a common mammal (grey and red) found in the park.

Other suggested loop names are: Volunteer, Grapevine, Running Cedar, Pine and Watershed.

Please indicate approval or disapproval and record comments below.
