July 7, 1997

STAFF DIRECTIVE 97-8

TO: District Superintendents
Park Superintendents
Section Chiefs
Program Managers

FROM: Philip K. McKnelly, Director

SUBJECT: Division Work Plan

In 1985, a procedure was implemented for the development of a Division work plan. Staff Directive 86-3 was issued in 1986 with procedural instructions for additions or modifications to the Division work plan.

As the Division work plan is no longer used, this Directive rescinds Staff Directive 86-3.
