

We came in June and could not decide what to purchase the grandchildren on our trip; therefore, we booked the weekend before school started as their souvenir! They have been swimming in the lake, hiked many trails including to the Hanging Rock and The Tower Den, camped in tents (It was the first tent camping for two of them!), sang by the campfire, made s'mores, played with "creepy crawlers" and had a **BLAST!!** Thanks to all staff that made all this possible - You are the greatest! David + Denna
